Dear Parkway Families,

I hope everyone had the opportunity to enjoy snow angels, snowmen, sledding and hot chocolate with the latest snowfall. - Dr. Smith

CAMP PARKWAY MUSICAL CONCERT

On February 20th, Parkway students will participate in the annual musical performance taking place at 10:00 am. and again at 1:30 pm. In order to comfortably accommodate all family and friends. We ask parents with last names beginning with A-M to attend the 10:00 performance. If your last name begins with N-Z, we ask you to attend the 1:30 performance. If your schedule does not allow you to attend your designated program, you are welcome to attend the other performance. We ask that you have your children wear blue and/or white or Parkway Spirit Wear for the performance.

FOUNDATION EVENT:
ALMOST SPRING FLING

Are you looking for a great time? I have a wonderful opportunity for you to enjoy family, friends, food and fun at this year’s Spring Fling. Please join us for an amazing event in which we work together to raise money to house an innovative learning lab at Glen Hills.

Saturday, April 4th at 6pm
at the Bavarian Bierhaus

For more information and to purchase tickets: www.glendale.k12.wi.us and click on the Spring Fling logo on the District home page.

PTO OPEN POSITION

The PTO is currently looking for interested candidates to fulfill the open Treasurer’s position. Serving as a member of the PTO will allow you to develop friendships, support the staff and students within the district and promote fun events such as the upcoming Sock Hop and Secret Santa Gift Shop amongst many other joyous activities. No previous background experience is required.

On Friday, Parkway students will participate in some friendship activities such as participating in a School Wide Morning Meeting where they will learn about a new dance, the Calm It Down Dance. Students will also participate in classroom festivities designed to encourage peace, kindness and love.

Thanks to our fabulous PTO, the 2nd and 3rd graders have had opportunities to both meet and to work with some wonderful authors. Our 2nd grade students were excited to welcome Ms. Lisa Moser to Parkway. Ms. Moser is an amazing author and she spent time working with Ms. Gember’s class during Reader’s and Writer’s Workshop.

The K4 students had the opportunity to spend time with small mammals during their in-house zoo field trip.
