Glendale-River Hills School District Reopening Committee

Larry Smalley & Jim Beckmann
Virtual Meeting Etiquette

Please use the “hand raise” feature to ask a question.

Keep yourself on mute when you are not speaking to reduce background noise.

Please turn off all other devices.

We will not take a break, so we encourage you to be fully present but also take care of your needs.

Please be mindful of your “airtime.” We will give wait-time, and will occasionally call on people.

Be aware that you are always on camera/turn video off when you walk away.

Use a phrase such as “I’m complete” or “That’s it” or “I’m finished” to let the group know your thought is completed.
