Social-Emotional Reopening Committee

Day 1
Virtual Meeting Etiquette

Please use the “hand raise” feature to ask a question.

Keep yourself on mute when you are not speaking to reduce background noise.

Please turn off all other devices.

We will not take a break, so we encourage you to be fully present but also take care of your needs.

Please be mindful of your “airtime.” We will give wait-time, and will occasionally call on people.

Be aware that you are always on camera/turn video off when you walk away

Use a phrase such as “I’m complete” or “That’s it” or “I’m finished” to let the group know your thought is completed.
Charge of the committee

Promote and support the well-being of ALL students, families, and staff.

Proactively plan for ensuring successful engagement of ALL students and families.
