I hope everyone enjoyed a long holiday weekend filled with Thanksgiving festivities. During the holidays, I love to reflect. I had an opportunity to reflect on what am thankful for and I am thankful to be given the opportunity to interact with your children on a daily basis. Schools are safe havens for students and, here at Parkway, we work hard to create and sustain a nurturing learning environment for all students to thrive. Thank you for entrusting us with your children.

During the month of October, the students participated in Fire Safety presentations in which the K4 students visited the firehouse, the 2nd grade students visited the Survive Alive house and the K5, 1st and 3rd grade students participated in a fire safety program here at Parkway School.

We have been working closely with our neighboring K-8 districts and Nicolet to provide our students with fun, interactive experiences. On October 12, 2018, the Nicolet Pep Band came to Parkway as a part of their homecoming festivities. During this time, members of the football team, cheerleaders and pep band along with the Nicolet staff paraded around Parkway as students celebrated the occasion by cheering them on.

Reminder: Now that the weather is getting colder outside, please make sure your children are bundled up and able to participate in the daily recesses during the winter months. Please note, in order to enjoy the snow, children must wear snow pants and snow boots outside, otherwise they will be asked to remain on the blacktop. Thanks for your support.
- Dr. Smith

K5 FRIENDSHIP FEAST
On the day before Thanksgiving break, the K5 students celebrated all the new friends they have made this year. The students made Thanksgiving headbands to wear to a special Friendship Feast. All K5 students enjoyed the feast together in the school cafeteria. The kids ate fruit salad and friendship snack mix. They talked about what they were thankful for in class and celebrated together as a grade level. The students talked about being thankful for all of their friends and their teachers here at Parkway School.

NOTES
- This is a gentle reminder that your child may not come to school if they are running a fever, vomiting or have diarrhea. Children must be free of vomiting, diarrhea and fever without any medication for 24 hours before they can return to school.
- We have a number of items in our Lost & Found that we have collected over the course of the school year. Please encourage your son/daughter to check the Lost & Found for any missing items such as clothing, shoes and boots.
- This year’s Parkway Secret Gift Shop will be held on Saturday, December 8th from 11am-12:30pm. See the Thursday folder for more information.
