Welcome Back!

Welcome to the 2018-2019 school year. I am excited to welcome everyone to a new school year filled with excitement, enthusiasm and fun. I am hoping that everyone had a great summer break and had the opportunity to enjoy spending time with family and friends. The staff at Parkway is looking forward to another incredible school year, we are looking forward to sustaining home-school partnerships in which we work as a team to help your child(ren) excel both socially and academically. This year will be a year of significant academic and social development for your child. This is a special and unique time as your child begins to build the foundation for future years. I am looking forward to a very productive and rewarding school year.

CONNECT TO THE CLASSROOM!

Be on the look out for information coming home on how to connect to your student’s digital journal through Seesaw! Through Seesaw, you can interact and view student work, keeping you connected to what is happening in the classroom.

RESPONSIVE CLASSROOM PRACTICES

Responsive Classroom is an evidence-based approach to education that focuses on the strong relationship between academic success and social-emotional learning (SEL). The Responsive Classroom approach empowers educators to create safe, joyful, and engaging learning communities where all students have a sense of belonging and feel significant. We kicked off the new school year with a School Wide Morning Meeting.
