

# **GLENDALE RIVERHILLS** SCHOOL DISTRICT

Our commitment is to EVERY kid, EVERY day, whatever it takes!

As a district we are committed to developing the whole child- academically, socially, and emotionally. We value each child's unique contributions and individual needs. We employ a highly qualified staff and multi faceted curriculum to promote responsibility, a positive self image, and a joy for learning among students. We prioritize equity and inclusion in everything we do. Above all, we seek to foster a cooperative, inclusive, and nurturing environment for students, staff, and community members alike, in which everyone feels free to participate, take risks, think creatively, and strive for excellence.

## MESSAGE FROM ALYSON WEISS, SUPERINTENDENT

I became the superintendent of the Glendale River-Hills School District on July 1, 2021 after 22 years in education. I have served as a teacher, special education coach, director of pupil services and building principal. I made the choice to apply for GDRH because of its passion and focus on equity and inclusion for all students. We are doing exciting things to build a vision and culture that supports all staff, students and families in our community.

## DISTRICT ACHIEVEMENTS

- Strong participation in regional and national events.  
 - Future City 5th place at Nationals; Math Hoops Regional Tournament (2022)
- Glen Hills Sugar Maple School (DPI highest award for sustainability). (2015)
- Member of the Closing the Achievement Gap Consortium.
- The Glendale-River Hills Foundation is very active and successful and has funded a new innovative lab at the Glen Hills Middle School.
- Glen Hills Green Ribbon School (US Dept. of Education sustainability award). (2016)
- Parkway's all inclusive playground is a collaborative effort between the School District and the School Foundation.
